

FIDELE LIZZI, PHD '85, MS '83

Dear Josh and Ed,

I am very glad you are putting out the newsletter, it is always nice to hear from old friends!

Please note that our department has moved to a new building, so that we have a new address:

Fedele Lizzi
Dipartimento di Scienze Fisiche
Universita' di Napoli Federico II
C.U. Monte S. Angelo
Via Cintia
I-80126 Napoli
Italy

The same address works for Giuseppe Bimonte, Renato Musto and Francesco Nicodemi (other Syracuse alumni).

If you are missing some old alumni in the High Energy group I have some addresses from the organization of Balfest, feel free to ask.

Ciao, Fedele
